ORDER

GREGORY H. WOODS, United States District Judge:

On April 9, 2020, the Court ordered the issuance of a summons to the defendant in connection with a series of asserted violations of the terms of his supervised release. In the summons, the Court ordered the following: “The Court directs counsel for the defendant to confer with the defendant regarding his willingness to participate in this conference using remote means, and, if so, to obtain his written consent to that proceeding if feasible. Counsel for defendant is ordered to notify the Court no later than April 17, 2020 regarding the defendant’s willingness to proceed by remote means in accordance with the CARES Act.”

Counsel for the defendant did not respond to the order by the date ordered by the Court, and, indeed, has not responded prior to the time of issuance of this order. Counsel is presumably aware of the requirements of the CARES Act, particularly as it relates to the requirement for the consent of the defendant to conduct a remote proceeding. Counsel is also presumably aware of the need to coordinate such a remote conference in advance.

Mindful of those concerns, the Court again orders counsel to provide the information required pursuant to its April 9, 2020 order forthwith, and in any event no later than 2:00 p.m. on April 24, 2020.

SO ORDERED.

Dated: April 23, 2020

GREGORY H. WOODS
United States District Judge
